Health Room News

For the welfare of all our students and staff, parents/guardians are asked to keep sick children at home. Children with a fever of 100 degrees or higher, vomiting, diarrhea or with any symptoms of communicable illness should be kept home. A child should be free from vomiting or diarrhea for 24 hours before returning to school. Also a child's temperature should be normal for 24 hours (without the use of medication) before returning to school.

Top Dogs

Congratulations to the following students for being chosen "Top Dog" of their classroom. Every two weeks, one student is chosen to be the "Top Dog" of their class by showing positive behaviors that are outlined on the Martin City Behavior Matrix. The Top Dogs have a special table set up in the cafeteria, eat lunch with Ms. Simon, and receive special treats. Congratulations to the following top dogs.

C-4 Community Meetings

During the last two years our district:

- Achieved ninety percent or above on our Annual Performance Report score - placing us in the category of Accreditation with Distinction.
- Increased student enrollment by nearly 10 percent.

These are good developments – increased learning and more students - yet both confront us with opportunities and challenges requiring your help and involvement.

Regarding the BUDGET – we focused our efforts on increasing student achievement even in a time of little to no growth in revenue. During the next few months, we will need to make reductions and/or re-allocations for the 2015-16 budget year.

Regarding school BOUNDARIES - a demographic study is underway to examine enrollment trends, corresponding facility needs, and indications for potential changes in school BOUNDARIES.

We have scheduled two district meetings and expect to schedule additional meetings throughout the district as information on BUDGET and BOUNDARIES unfolds during the coming months.

The meetings will take place on the following dates:

Monday, February 2nd at the CAIR building (7pm)
Tuesday, February 3rd at Martin City School Library (6:15pm)

Please feel free to attend one or both of the scheduled meetings.

Thanks for your support of the Grandview C-4 School District.

5th GRADE PARENTS

Don't forget.....5th to 6th grade Parent/Student Orientation Night is Thursday, February 5, 2015 @ 6:00 pm. During this program, parents/students will meet the MCMS administrators, counselors and teachers who will answer any questions.
